DIRECTORATE [REDACTED] OF WAR

5th April, 1945.

Mr. A. C. Boddy,
NABIAC.

Dear Sir,

In reply to your letter of 20th March, 1945,
you are advised that building restrictions are very stringent
and permits are only issued in urgent necessitous cases, such
as a man, his wife and family being without accommodation, or
living in overcrowded and unhealthy conditions. Careful
re-consideration has been given to your application but
permission to build cannot be granted at the present time.

Yours faithfully,

(W.H. Ifould)

A Delegate of the Minister of State
for Post-War Reconstruction.
