To whom this may concern

This is to certify that Mr. Geoff Boddy has been an employee, in the capacity of a branch manager for a period of about three years with our firm.

He proved himself a most capable manager, & is of excellent character, sober & reliable in every way, & we can highly recommend him to fill any position of trust.

He leaves our firm of his own accord to conduct his own business, & in so doing he takes with him the firm's best wishes for his future success.
