## HEALTH, And How to Obtain It Read What Vitadatio is Doing Another Case of TUMOUR.

Doctors Advised Instant Opera-  
tion.

**Vitadatio has Removed It...**

READ WHAT Mr. ARSCOTT WRITES  
Mr. S. A. PALMER.

Dear Sir,—I think Vitadatio worthy of great praise as a genuine remedy. It has saved me a few pounds expenses in doctors and medicine. My wife had a tumour on her neck, causing her much pain and alarm. The doctors, when consulted, advised instant operation—there being danger in delay—but my wife shrinking from this, we consulted an herbalist, who wanted six guineas per quarter for an indefinite period to remove the disease. Vitadatio was then brought under our notice, and we resolved to try it. By the time the fourth large bottle was used the tumour had come right away, leaving only a mark on the neck where it had been. There has been no return of the trouble, and my wife has enjoyed good health since. You are welcome to use this as you please, I am so satisfied with what Vitadatio has done for my wife.
